12. SUREANALYSIS SOFTWARE

Sureanalysis (GW2 software) allows you to update the course library on your golf watch. Even though the GW2 watch comes with courses pre-loaded, we are continually updating our course library by adding new courses and updating our existing ones. Sureanalysis allows you to keep your GW2 updated with the latest course data.

You can also perform firmware upgrades to ensure that your unit is functioning at its optimal level.

Download the Sureanalysis software by visiting our website and go to the Download Software page. Follow the easy instructions: www.sureshotgps.com

12.1 SYSTEM REQUIREMENTS

Compatible with Windows XP, Vista (32 & 64 bit) and Windows 7. GW2 is currently not compatible with Apple Mac as at September 2012. Please check our website for any updates of this status. Otherwise please use one of the above systems.

13. FREQUENTLY ASKED QUESTIONS

Who can help me with technical questions & support?
Our friendly team is available on email at support@sureshotgps.com It is recommended you email your request rather than returning to the place of purchase for the fastest response to your enquiry.

Does my local club allow the use of measuring devices such as the Sureshotgps™? The R&A Rule of Golf 2008-2011 states that measuring devices are permitted in the game of golf, providing a local rule has been passed by the Golf Club. Sureshotgps™ encourages you to ask prior the club prior to use.

14. LIMITED WARRANTY

Sureshotgps™ Pty Ltd ("Sureshotgps") warrants the GW2 device delivered in this package will be free from material defects for one (1) year following the date of purchase from Sureshotgps or its authorised reseller. The accessories included in the package including USB cable, charging station, and batteryare covered for material defects for one (1) year. For the purpose of this warranty, "material defect" means any defect in a Sureshotgps product that can be reproduced by Sureshotgps and is a substantial nonconformity from the published specifications for such product. Sureshotgps shall not be responsible

whatsoever resulting from any defect in or associated with its products which occur or are notified by the purchaser to Sureshotgps or its authorised repairer more than one year form said date of purchase. This Limited Warranty does not apply to normal wear and tear or if any component of the Sureshotgps hardware is opened or repaired by an unauthorised person and does not cover repair or replacement of any Sureshotgps hardware damaged by: MISUSE, MOISTURE OR LIQUIDS, EXPOSURE TO HEAT, ACCIDENT, ABUSE OR NEGLECT. Dropping your GW2 can permanently damage the receiver, which is not under Warranty.

This Limited Warranty does not cover physical damage to the surface of the Sureshotgps, including cracks or scratches on the screen.

Neither the manufacturer or distributor or reseller shall be responsible for data that may be damaged or lost at any time. As the Sureshotgps may gain information either through USB or wireless technology, we cannot guarantee the successful transmission of information.

This Limited Warranty does not extend to any defects which have been caused or contributed by neglect, misuse or accident, nor in respect of product which has been altered by other than authorised Sureshotgps personnel or its authorised repairers. The determination as to whether the terms of this warranty are to apply to returned products is within the sole discretion of Sureshotgps or its authorised repairer. Provided any returned product is determined to be covered by this warranty, Sureshotgps or its authorised repairers shall at Sureshotgps's sole discretion, repair or replace, free of charge, any products or parts thereof.

In no event whatsoever shall Sureshotgps be liable for any incidental, special or consequential loss or damage resulting from the purchase and/or use of its products howsoever caused and howsoever claimed. Any liability on Sureshotgps under this warranty in respect of any repair and /or replacement and/or any action involving any of its products shall be limited to and not exceed the purchase price of the product in question. The terms of this warranty are subject to relevant provisions of any Federal, State or Municipal law. Any dispute or action in relation to this warranty or the construction of it shall be subject to and conducted in accordance with the laws of Victoria

Before returning any product, contact the Sureshotgps Customer Support Group and obtain an RA number. Visit the Sureshotgps™ web site www.sureshotgps.com for support contact details. If the Customer Support Group verifies that the product is likely to be defective they will issue an RA number to place on the outer package in which the product will be shipped. Sureshotgps cannot accept any product without an RA number on the package. Warranty returns must also be accompanied by a copy of the dated proof of purchase. Deliver the product along with the RA number to Sureshotgps.

If you ship the product you must assume the risk of damage or loss in transit. You must use the original container (or the equivalent) and pay the shipping charge. Sureshotgps may replace or repair the product with either a new or reconditioned product and the returned product becomes Sureshotgps's property.

Sureshotgps warrants the repaired or replaced product to be free from material defects for a period of the greater of (i) ninety (90) days from the return shipping date; or (ii) the period of time remaining on the original one (1) year warranty.

If there is any inconsistency between this Limited Warranty and any Warranty included in the packaging of the Sureshotgps, the provisions of this Limited Warranty shall apply.

15. DECLARATION OF CONFORMITY

We, Sureshotgps™ Pty. Ltd declare under our sole responsibility that the Sureshotgps™ conforms to all world standards of compliance.

Sureshotgps™ Pty. Ltd. operates a policy of continuous development. Sureshotgps™ Pty. Ltd. reserves the right to make changes and improvements to the Sureshotgps™ and any other of its products without prior notice.

16. SOFTWARE LICENSING

This product contains embedded software. You have a non-exclusive, non-transferable right to use the software only as embedded in the hardware and may not copy, disassemble or attempt to reverse engineer the software or use it on any other hardware.
